## HELP! HELP! HELP!

As you can see from our new list of officers for 2002, the Chapter is in dire need of volunteers for the offices and committees - especially President! We have a great list of advisory members who are willing to help, but have served their time and wish to contribute in a different capacity. Please let us know if you have any creative ideas as to how the Chapter can pull together and launch the new year!

## January Meeting

The **January 16th** program will be presented by Doug Eldred. The topic of his presentation is "Archaeology In Russia." He has been highly recommended as a speaker, so this should prove to be a very interesting evening. Please mark this on your calendar and plan to attend.

If you would like to join us for dinner before the meeting, we will be meeting at Nates, corner of Horsetooth Road and College Avenue, at 5:30 pm. Please let Jeff Emighy know if you plan to join us - Phone: 491-5784, E-mail: [jeff.eighmy@colostate.edu](mailto:jeff.eighmy@colostate.edu).

## Next PAAC Class

Our new PAAC Coordinator, Bruce Wahle, has announced that the next PAAC class is scheduled to start in April. The class will be "Introduction to Laboratory Techniques" and meet on Tuesdays, April 16, 23, 30 and May 7 and 14. More information will come later, as soon as a place has been decided. Be thinking about taking this class. We need to have a minimum of 10 registered or it will be canceled.
