## September 15th Meeting

The speaker for our **September 15<sup>th</sup>** meeting will be Allison Bohn, an anthropology student at CSU. Allison is one of the five recipients of our recently awarded 2004 Greenacre Scholarships. Her presentation will focus on her research project, "**Building and Bridging Landscape Datasets: a synthesis of research on the Oglala National Grasslands, 1999-2002.**"

Please mark this coming Wednesday on your calendar and show your support to our scholarship recipients. Note: change of meeting location.

## We are Looking for a new Meeting Location

We were recently notified that we can no longer meet at the CSU Veterinary Hospital, as their new policy does not allow outside groups to use their facility. We are in the process of looking for a new location. Most facilities charge a fee and have limitations. If you know of a facility, please e-mail Bev at: [bgoering@comcast.net](mailto:bgoering@comcast.net). Our September and October meetings are scheduled at the Ft Collins Main Library.

## Fall 2004 PAAC Class - Lithics

The next PAAC class is coming up quickly (**September 28th**) and will be "Lithics." PAAC classes are taught by Kevin Black, Colorado Assistant Archaeologist. Classes are on Tuesday evenings from 6:30-9:30 pm, and the cost is \$12. If you are interested, please let our new PAAC Coordinator, Rick Lippincott know before this Friday, Sept 17. Rick can be reached at (970) 346-0042 or e-mail to: [rutledge32@netzero.net](mailto:rutledge32@netzero.net). Make your check out to the Colorado Historical Society for \$12 and mail to PAAC, Northern Colorado Chapter/CAS, PO Box 270738, Fort Collins, CO 80527. We will notify you of the class location as soon as it is confirmed.

## Amazon Link on Our Web Site

If you are ordering books or music etc. from Amazon.com remember to go to our Web Site first and then click on the Amazon icon. Amazon donates 5% of your order to our Chapter. Proceeds go to the Greenacre Scholarship Fund.

### **Southwestern Lore Index now on the Web Site**

Joel Hurmence is excited to inform us that our Chapter Web site is now hosting the index information for Southwestern Lore. Joel has put many hours into indexing the numerous volumes of the CAS publication so this is a tremendous resource to anyone doing research. You can check it out at <http://www.fornet.org/casncc/SWLIndex/>

### **Annual Meeting in Durango**

The 2004 CAS Annual Meeting will be held in Durango, October 8-10. The meeting will be hosted by the San Juan Basin Chapter. Events will be held at the Fort Lewis College Center of Southwest Studies. If you have any items you would like to donate for the silent auction, please e-mail Joel at [jhurmence@hotmail.com](mailto:jhurmence@hotmail.com). All proceeds from the auction go to the Alice Hamilton Scholarship Fund.

### **Annual Meeting Raffle Tickets**

CAS is selling raffle tickets for a painting by noted Durango artist Susan Balas Whitfield. The drawing will be held at the Annual Meeting. The tickets are \$3 each or 4 for \$10. If you are interested in purchasing any tickets, please e-mail Bev at [bgoering@comcast.net](mailto:bgoering@comcast.net). All proceeds from the raffle go to the Alice Hamilton Scholarship Fund.

## Code of Ethics

Members will uphold State and Federal antiquities laws and regulations.

Excavation of archaeological sites will be conducted only according to professionally accepted procedures developed in consultation with a professional archaeologist and with the written permission of the landowner. The investigator has the responsibility for publication of the results of his/her investigation and for making the collection available for further scientific study.

Members are encouraged to report archaeological sites to the Office on the State Site Report forms. Materials collected from the surface sites shall be catalogued and described in the site survey report. Collected materials should either be deposited with the State Archaeologist's office or made available for scientific study.

Members will not support illegal or unscientifically conducted activities by participating in or condoning the sale, exchange or purchase of artifacts obtained from such sites.

Members who exhibit artifacts will do so in an educational context. Items from burials and objects considered sacred will not be exhibited.

Members will cooperate with the State Archaeologist and other agencies concerned with archaeology and related fields.

Members will respect the dignity of groups whose cultural histories are the subject of archaeological investigation.

Members will not participate in conduct involving dishonesty, deceit, or misrepresentation about archaeological matters.
