STILL Calling For Officers For Next Year

Do you know of anyone who would like to serve as a CAS Board Member? We are in dire need of members to fill these positions – or, we are going to have to campaign for some new members. Please re-think your decision and send me an e-mail at: bgoering@comcast.net.

Annual Holiday Party

Traditionally, the Annual Holiday Party has replaced the December meeting. Would anyone like to host this event in their home this year? The Chapter purchases the meat and guests bring a covered dish to share. In the past, entertainment has included a slide show, gift exchange, video etc. If you are interested in hosting or have any ideas for entertainment, please let a Board Member know as soon as possible.

November Meeting

Our November program will be presented by one of our scholarship recipients, Kelly Derr. Please mark next Wednesday on your calendar and plan to come and show your support to Kelly.

Colorado Archaeological Society

Code of Ethics

Members will uphold State and Federal antiquities laws and regulations.

Excavation of archaeological sites will be conducted only according to professionally accepted procedures developed in consultation with a professional archaeologist and with the written permission of the landowner. The investigator has the responsibility for publication of the results of his/her investigation and for making the collection available for further scientific study.

Members are encouraged to report archaeological sites to the Office on the State Site Report forms. Materials collected from the surface sites shall be catalogued and described in the site survey report. Collected materials should either be deposited with the State Archaeologist's office or made available for scientific study.

Members will not support illegal or unscientifically conducted activities by participating in or condoning the sale, exchange or purchase of artifacts obtained from such sites.

Members who exhibit artifacts will do so in an educational context. Items from burials and objects considered sacred will not be exhibited.

Members will cooperate with the State Archaeologist and other agencies concerned with archaeology and related fields.

Members will respect the dignity of groups whose cultural histories are the subject of archaeological investigation.

Members will not participate in conduct involving dishonesty, deceit, or misrepresentation about archaeological matters.
