The Northern Colorado Chapter/CAS created the James and Doris Greenacre Scholarship Fund in 1996 using funds donated by Doris Greenacre in memory of her husband, James Greenacre. In his life of diverse achievements, Mr. Greenacre, a Fort Collins native, worked as an archaeologist at the Lindenmeier site, assisted in mapping the moon at the Lowell Observatory in Flagstaff, Arizona, and was a Northern Colorado Chapter/CAS member.

The Northern Colorado Chapter/CAS awards students who will be presenting a paper or poster at an upcoming archaeological conference. The Scholarship Committee selects one recipient and awards an amount based on the quality of the application, the estimated financial need, and the balance of the scholarship fund. The Northern Colorado Chapter has awarded eleven scholarships totaling \$2525 since 2000. For more information, visit www.fortntet.org/casncc/scholarship/ or e-mail casncc@fortnet.org.

Annual Holiday Party Ideas Sought

It is almost that time of year again— our annual December holiday party is approaching and it is time to make plans! Should we have potluck as in years past? Are there any volunteers to host it? Should we meet to celebrate at an area restaurant? What date is best—our regular meeting

date is Wednesday Dec 20— should we switch to Dec 13? Does anyone have an interesting slide show to present? If you have suggestions, please contact Bev Goering at bgoering@comcast.net — See you soon!
