

The Folsom Point

Northern Colorado Chapter / Colorado Archaeological Society

On the Foundations of the Fort

Volume 27, Issue 8

November 2012

November 14 (Wednesday) - Note the meeting is one week earlier than usual!

No-host dinner from **6:00-7:00 pm** in the basement room of Wild Boar Coffee, 1501 S. College, Fort Collins. Program begins after a short business meeting at **7:00 pm**. Program: **Rheba Massey**, retired Local History Archivist, City of Fort Collins, presents **On the**

Foundations of the Fort. Today, little visible evidence remains of the original "fort" of Fort Collins and few of us are familiar with its location and history. The City of Fort Collins has recently asked for public input on the redevelopment of the old Fort Collins site on the Poudre River. This informative slide program traces the historical development of fort site from 1862 to the present.

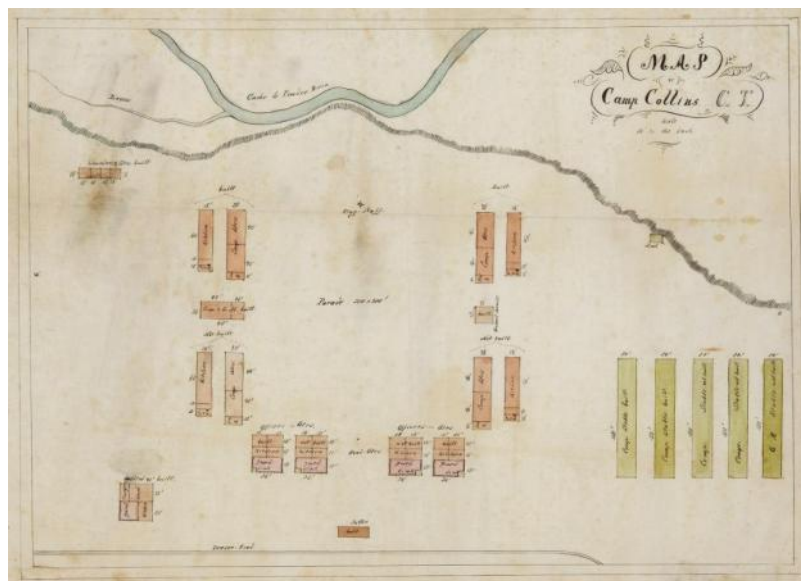

Rheba has been a resident of Fort Collins since 1971. She received her Bachelors Degree in Social Sciences and her Masters Degree in Historic Preservation at Colorado State University. She served in several positions at the Wyoming State

Historic Preservation Office from 1985-1992; and then was the Archivist of the Local History Archive in the Fort Collins Public Library from 1992-2007. She is now retired and enjoying traveling with her family and friends.

This program is free and open to the public. Please join us!

Alice Hamilton Scholarship News - submitted by Terri Hoff

The Colorado Archaeological Society's fundraising raffle was held at the Annual Meeting in Boulder on October 6. This year's prize was a custom quilt named "Mimbres Daydreams" made and donated by Terri Hoff and Gail Braunn (Dolores/Mancos). Dr. Bill Lipe, renowned Southwest archaeologist, plunged his hand into the hopper drew ticket #651 belonging to

Sarah and Bill Bedker of Cortez, CO. Tickets were sold by CAS Chapters all over the state, but the lucky ticket was bought at the Montezuma County Home & Garden Show last May. Over \$3000 was raised for the scholarship fund between raffle ticket sales and silent auction proceeds. Thanks for supporting the scholarship fund!

Statewide PAAC Schedule, Nov-Dec submitted by Dave Swinehart

November

16-19 GunnisonColorado Archaeology

December

*7-20 DenverPAAC Laboratory Training

Sign up for classes in other areas by contacting that area's PAAC coordinator (see list at the PAAC web site below).

*Lab training is tentatively scheduled for December 7, 8, 11, 12, 14, 15, 19, 20 and January 11, 12, 16, 18, 23, 24, 30. at the North Warehouse in central Denver. As always, there is no fee to participate and there are no prerequisites, but volunteers would benefit by having taken the Lithics and/or Lab Techniques courses beforehand. In fact, the Lab class is on our current schedule for Alamosa on October 20-21 (Saturday-Sunday only, 15 hrs total). Lab hours are 8:30 am to 4:30 pm each date, with a one hour lunch break. You'll see that most, but not all, dates are in back-to-back 2 day sets to help encourage volunteers from outside the Front Range to attend for at least two days. Final dates will be posted at <http://www.historycolorado.org/oahp/additional-laboratory-credit>

Colorado Archaeological Society Code of Ethics

- Members will uphold State and Federal antiquities laws and regulations.
- Excavation of archaeological sites will be conducted only according to professionally accepted procedures developed in consultation with a professional archaeologist and with the written permission of the landowner. The investigator has the responsibility for publication of the results of his/her investigation and for making the collection available for further scientific study.
- Members are encouraged to report archaeological sites to the Office on the State Site Report forms. Materials collected from the surface sites shall be catalogued and described in the site survey report. Collected materials should either be deposited with the State Archaeologist's office or made available for scientific study.
- Members will not support illegal or unscientifically conducted activities by participating in or condoning the sale, exchange or purchase of artifacts obtained from such sites.
- Members who exhibit artifacts will do so in an educational context. Items from burials and objects considered sacred will not be exhibited.
- Members will cooperate with the State Archaeologist and other agencies concerned with archaeology and related fields.
- Members will respect the dignity of groups whose cultural histories are the subject of archaeological investigation.
- Members will not participate in conduct involving dishonesty, deceit, or misrepresentation about archaeological matters.

Folsom Point Submission Guidelines

compiled by Lucy Burris

The Folsom Point is published monthly September through May for the purpose of sharing information with members and friends of the Colorado Archaeological Society, Northern Colorado Chapter. Submissions are welcome and are used at the editor's discretion and may be edited for content, length, and format. Common submissions include book reviews, event announcements, volunteer help requests, activity reports, and local news items. Please follow the guidelines below. Contact the editor with any questions.

- Submit materials by the 1st of the month. The newsletter is published during the first week of the month so events or activities which occur early in the month should be submitted for publication in the prior month.
 - Include contact information in the form of a name, email address, web site, and/or phone number.
 - Illustrations can be used but they may be reduced in size and/or resolution to reduce file size.
 - Event announcements should include specific time and location information, remember not all members live in Fort Collins or even Colorado.
 - Clearly distinguish your own content from that created by others so that proper credit can be given.
 - Submit all material electronically. Acceptable document formats include Microsoft Word documents and plain ASCII text files, as well as plain text in the body of email. Acceptable image formats include .jpg, .tif, and .bmp. Adobe PDF files also can be used. Tables can be sent using Microsoft Excel or embedded in a Word document.
