## Northern Colorado Chapter/ Colorado Archaeological Society

Volume 28, Issue 3  
March 2013

### Lucy Burris departs the NCC Newsletter to dedicate time to her thesis.

Lucy's done a lot work for NCC - CAS for a very-very long time. Before the newsletter she was PAAC Coordinator. She served in both positions in an outstanding manner, often dropping things to answer questions for curiosity seekers, or do a little research for someone. Her contributions were many and she will be missed. Lucy's mark is on every aspect of the NCC - CAS. The entire chapter and the surrounding communities benefitted from having her around. The officers, staff and members all offer a big thank you to Lucy for contributing her talents, time and energy for so long. We all wish her well with her studies!!

## **From the NCC/CAS Co-Presidents:**

Dear Members of NCC,

First, we would like to thank our new member, Jack Hicks, for stepping up and taking on the responsibility of newsletter editor!

We would also like to thank those members who are serving as officers. This is the heart of our chapter. We are still in need of a Co-Vice-President, a Secretary, and a Librarian. Joel Hurmence and Bev Goering will continue to serve as Co-Presidents, but they are anxious to mentor others into this office.

As you know, our chapter dues are payable in January. Please ensure that your dues have been paid and your membership is current. Our meetings are open to the public, so if you have a friend or neighbor who has an interest in archaeology or history, please extend an invitation to them.

A big thank you to our PAAC Coordinator Dave Swinehart. Dave has recruited 17 registrants for the "History Colorado" class now in session at the Poudre Learning Center located between Windsor and Greeley.

At our February meeting, we congratulated member Brian Carroll on achieving the PAAC Scholar Certificate.

If there is any way you would like to participate and assist, please let us know! As always, we look forward to seeing you at the upcoming March meeting.

Again, thank you!

Bev Goering, co-president

Joel Hurmence, co-president

**Wanted: pictures for the newsletter:** I'm a photographer, I should have plenty of pictures, and I do, lots of them, thousands actually. But since this is an Archaeological Newsletter, my best thinking tells me something related would be much better than my wildlife shots, the portraits from the charter school's Father/Daughter Dance or something miscellaneous from last year's Tour de Fat.

Please send me photos from your field work, rock art, a box of tools or whatever else (on topic). If I use them, you'll become a published photographer, receive credit in the newsletter and unlimited peer recognition. Thanks!
