

The Folsom Point

Northern Colorado Chapter of the Colorado Archaeological Society

President's Corner

Greetings! We had a wonderful dinner meeting at BJ's to celebrate the Holidays and enjoy each other's company and great food. For those who could not attend, Happy Holidays and I look forward to seeing you in 2017 at the Medical Center of the Rockies on the second Wednesday of the month. The Board voted to change the monthly meeting day from Thursday to Wednesday because many of us are interested in attending other CAS meetings that usually meet on Thursday. I hope to see you at the next meeting on January 11!

There will be a variety of things to experience during the next year; hikes and proposed field study opportunities, stewardship opportunities, mingling with other Chapters and fabulous presentations, to name a few. If you would like to share your experiences, please contact Heidi Short, heidishort@frii.com, and sign up for one of the monthly meetings.

One more reminder—please get your yearly membership renewal to Rae Todd as soon as possible. All necessary information can be found on the Membership Form. Rae will be happy to make sure that you have signed up for the particular type of membership that fits your needs. You can also add a donation to the Greenacre Scholarship Fund when you send in your dues.

Happy-go-lucky NEW YEAR! Rest up and be ready to join us for a great 2017. I will be truly glad to see you at our January meeting!

Be Well and Safe,

Susan Omori

News with PAAC By Dave Swinehart

The news this month is that the PAAC program is going to have some new curriculum and some new pathways for PAAC certifications. They are going to be developed by Chris Johnston, our new Assistant State Archaeologist. This, however, is a huge undertaking, one that will require his full attention this winter and spring. Therefore, there will be no spring classes in 2017.

Chris has assured me that it is his hope that by making some modest alterations to the program, we can see it continue on and prosper for another 40 years.

Chris also indicated that his team is working on some options for folks to get involved and he may do "an informal thing" from time to time. He is going to meet with some other professionals in the region and see if they have opportunities for folks while he devotes his energy to this project.

No PAAC Class This Fall in N. CO

For complete information on PAAC classes go to: <http://www.historycolorado.org> and click on the "Archaeologists & Preservationists" tab, or write to Dave Swinehart, N. Colorado PAAC Coordinator: swinehart53@gmail.com

Membership Renewal by Rae Todd

Membership renewals are underway for 2017 and are due by December 31. To ensure your delivery of *The Folsom Point*, the Northern Colorado Chapter's monthly newsletter, in addition to emails on coming activities and meetings, please renew before the deadline.

The New, Renewal and Donation form is included as part of this newsletter and can also be found on the Chapter's website, www.fortnet.org/casncc. You can also renew at the November and December Chapter meetings. Thank you for supporting your Northern Colorado Chapter of the Colorado Archaeological Society.

Mission Statement

The Colorado Archaeological Society is a non-profit organization committed to the stewardship of archaeological resources in Colorado. This is achieved through public education, research, and enhanced opportunities for responsible participation in archaeology for interested individuals and organizations.

The Colorado Archaeological Society (CAS) came into existence in 1935 as a focus for people having interest in the history and prehistory of humans in Colorado. The interest in archaeology led to the establishment of the office of the State Archaeologist within the History Colorado Society, a state government society.

Educational Offering

Sticky Fingers Colorado 'Cool'inary Cooking Camp

Feb 03, 2017

1:00PM - 4:00PM

Location

History Colorado Center

1200 Broadway

Denver, CO 80203

Reservations Required?

Yes

This awesome and delicious, special 1-Day Camp will captivate and inspire your students as they explore making, eating and sharing tasty, healthy, fresh, and sustainable foods not always found on kids plates.

The campers will make two delicious Sticky Fingers Cooking Colorado Recipes (with a fun food science experiment) while exploring and discovering the amazing exhibits that History Colorado Center has to offer through a fantastically fun and exciting interactive scavenger hunt team challenge.
